FurScience!

systematic study of more than 15,000 furies over the past decade A good scientist recognizes two important points First, no study is perfect Because of the trade-offs inherent in any study design (eg, construct precision vs survey length), researchers will inevitably be limited in their ability to draw conclusions based on the results of a single study This leads to the second point

University of Bath

identify that Furies draw on an anthropomorphised animal spirit to heal feelings of disconnection with the postmodern world In contrast to studies on anthropomorphism, consumers draw on animal spirits to define their internal sense of self and operate more effectively within the world
